When a complex legal matter emerges – whether it's in a single jurisdiction or nationwide – **USLAW** is there. Our members represent some of the country's leading businesses in matters ranging from complex commercial litigation, employment law, products liability, and professional malpractice defense.

USLAW NETWORK is a national organization composed of more than 60 independent firms with over 3,500 attorneys.

USLAW NETWORK is an affiliation of law firms across the United States who:

In 2007, USLAW established a mutual relationship with TELFA, the Trans-European Law Firm Alliance, a network of 23 law firms in Europe representing more than 600 lawyers. Our affiliation with TELFA offers USLAW member firms and their clients access to top-quality, qualified counsel in Europe. TELFA offers USLAW clients:

- Pan-European coverage;
- Service unaffected by costly bureaucracy;
- Direct, cost-effective access to leading lawyers in different markets;
- Partner-led personal service;
- Swift access to the institutions of the European Union;
- Independent advice with conflicts of interest kept to a minimum.

TELFA member firms subscribe to formal quality, training and IT standards. As a result, TELFA does much more than enable referrals. Instead, it coordinates and facilitates their clients' needs for counsel in unfamiliar markets while offering the assurance and peace of mind that the quality of advice and service they will receive is consistent across TELFA firms.
